April 13, 1975

Mr. Robert F. Young
FOIA coordinator
Washington, D.C.

Dear Mr. Young:

I have received your letter of April 7 and evidently my letter of March 27 was not read very carefully. I am enclosing a copy of my original letter and a copy of your response. I did not request any information in the CIA files pertaining to myself. I requested information on my son, Frank Randall Teruggi, born 14 March 1949, who was executed by the military Junta in Santiago, Chile on September 22, 1973.

I understand the CIA in Santiago were aware of the American students attending the University of Chile and I would appreciate the information requested in my letter of March 27. I will request the additional information from the Dept. of State as you requested.

Sincerely,

Frank F. Teruggi
